Past Events

Cookie Rally this past Friday Night Out, great turnout!

Cookie Rally Patch available for \$1.25 (we just found out!)

Thank you to Michele Russo and Kim Slaga for a terrific night, bringing together all levels of scouting!

A thought for next year is adding in a ‘Cookie Parent Meeting’ for the parents who are there.

Council Question – Do we want an evening where parents can come and register for next year? Didn’t have one last year but the previous year was at Thomas Sweets and decent turnout.

SU Question – We are really hoping to get more parents involved in Service Unit positions/overseeing events/etc. A lot of these positions can be done at home or in off hours for working parents. Any suggestions on reaching out to parents, marketing these positions, getting parents more involved in helping within the Service Unit?

I.E. Fall Campfire
